

Financial Accountant (m/f/d)

Originally emerging from a research project, indurad has been developing innovative sensor solutions for the global leading raw materials industry since 2008. From our headquarters in Aachen, our team of 150 fantastic employees ensures that our high-quality solutions lead to more safety and reduced greenhouse emissions in the bulk and raw materials industry around the world.

indurad combines the dynamics of a start-up with the energy and ideas of a large corporation – that’s what makes us unique! We are a diverse team of talented, innovation-driven individuals focused on making a positive impact on a large scale.

But there's still something missing – and that's you!

We are looking for a **Financial Accountant (m/f/d)** to join our Finance Team at our headquarter in Aachen at the earliest opportunity.

What can you expect?

- You support the establishment of our currently outsourced accounting and implement the necessary processes and structures in close collaboration with our CFO.
- You manage all business transactions and entries on the business accounts, maintain master data in our ERP system and DATEV.
- You handle accounts receivable and accounts payable management, review payment processes and receivables, and oversee all payment transactions.
- You prepare monthly, quarterly, and annual financial statements according to HGB, prepare VAT returns, ensure their timely submission, and ensure compliance with legal regulations and guidelines.
- You actively contribute to the development and optimization of our accounting and financial processes.

What should you bring?

- You have completed commercial training, such as becoming a tax clerk (m/f/d), as well as further training as a financial or certified accountant (m/f/d) or hold a comparable university degree.
- You already have professional experience in finance and/or tax matters, possess excellent knowledge of tax law and HGB, and are familiar with internal accounting structures.
- You have solid expertise in DATEV and are proficient in using common MS Office applications.
- You thrive in an international environment, have a good command of English and German, and are confident in using it.
- You work in a structured, analytical, and precise manner. Additionally, your work is characterized by dedication and a strong sense of responsibility.

What do we offer you?

- An attractive salary package is a given. Additionally, you will benefit from various allowances, such as a company pension plan, business bike, or a subsidy for your job ticket.
- 30 days of vacation and up to five additional days off through flexible working hours.
- Whether you're an early bird or a night owl – thanks to flexible working models (flextime), you can design your workday to suit you.
- With us, you can expect a diverse and challenging range of tasks in an international project environment.
- Family time is especially important to us, and we live that every day: In addition to our family-friendly working hours, we cover the childcare costs for your child/children – whether it's a kindergarten, daycare, or family care.
- We offer you a workplace with a feel-good factor: bright, modern spaces, innovative tools, ergonomic equipment, drinks and snacks, free parking, and plenty of room for initiative and personal development – all of this is important to us so that you feel completely comfortable!
- Direct access to management and supervisors, open communication, a valued team atmosphere, and a relaxed dress code are just as important to us as a lived "you" culture.
