

Working student (f|m|d)

mechanical and electrical Manufacturing

Our Passion - Be a part of it!

Originally as a research project, indurad has been developing innovative sensor solutions for the world's leading raw materials industry since 2008. From our headquarters in Aachen, our team of 150 fantastic employees ensures that our high-quality solutions lead to greater safety and lower greenhouse emissions in the bulk solids and raw materials industry around the globe. indurad combines the dynamism of a start-up with the energy and ideas of a large corporation - that's what makes us so unique! We are a diverse team of talented, innovative people focused on making positive change happen on a large scale.

But one thing is missing – and that's you!

We are looking for a **working student (f|m|d)** to support our production team at our headquarters in Aachen as soon as possible.

What to expect

- Support in the manufacture of our products, such as our radar sensors
- Assembly of mechanical and electrical components and preliminary products
- Provision of production materials
- Independent testing of quality features
- Production of test setups, assembly support in the production hall

What should you bring

- You are studying a technical degree programme and have an affinity for technology
- You are characterised by manual skills and technical understanding
- You are characterised by a high degree of independence, initiative and team spirit
- Language skills in German and English
- Basic IT knowledge or experience with ERP systems is an advantage

What we offer you

- Early riser or night owl - Thanks to home office and flexible working time models (full or part-time) you can organise your working day yourself
- You will become part of our team and receive direct and professionally sound training and support
- We offer you a workplace with a feel-good factor: bright, modern premises, ergonomic equipment, drinks, free parking and enough space for your own initiative and development opportunities - all this is important to us so that you feel completely at ease!

- Direct lines to management and superiors, open communication, respectful interaction and a relaxed dress code are just as important to us as a lively "you" culture

Perfect Match?

We want it to be uncomplicated for you! Our recruiting expert Bianca Just looks forward to receiving your CV (max. 5 MB), including your salary expectations and preferred starting date, by email at job@indurad.com or via **direct application** through our application form.
