

Working student (f|m|d) – IT

Our Passion - Be a part of it!

Originally as a research project, indurad has been developing innovative sensor solutions for the world's leading raw materials industry since 2008. From our headquarters in Aachen, our team of 150 fantastic employees ensures that our high-quality solutions lead to greater safety and lower greenhouse emissions in the bulk solids and raw materials industry around the globe. indurad combines the dynamism of a start-up with the energy and ideas of a large corporation - that's what makes us so unique! We are a diverse team of talented, innovative people focused on making positive change happen on a large scale.

But one thing is missing – and that's you!

We are looking for a **working student (f|m|d)** to support our IT team at our headquarter in Aachen as soon as possible.

What to expect

- You support 1st and 2nd level support in the software and hardware area
- In addition, you actively work on internal projects and tools, for example in the areas of software distribution, knowledge base, or monitoring
- You also assist with the installation, configuration, operation, and maintenance of Windows and Linux clients
- Furthermore, you create and maintain documentation as well as the knowledge base
- And you actively contribute to guides and documentation

What should you bring

- You are studying computer science, electrical engineering, mechanical engineering, or a comparable technical field
- You have a basic understanding of computer networks and already gained some initial experience with Windows and Linux systems
- You have knowledge of shell scripting and programming in Python
- You are characterized by a high degree of independence, initiative, and team spirit
- You feel comfortable in an international environment: you not only have excellent German skills but also good English skills and are not afraid to use them

What we offer you

- Early riser or night owl - Thanks to home office and flexible working time models you can organise your working day yourself
- You will become part of our team and receive direct and professionally sound training and support
- We offer you a workplace with a feel-good factor: bright, modern premises, ergonomic equipment, drinks, free parking and enough space for your own initiative and development opportunities - all this is important to us so that you feel completely at ease!
- Direct lines to management and superiors, open communication, respectful interaction and a relaxed dress code are just as important to us as a lively "you" culture

Perfect Match?

We want it to be uncomplicated for you! Our recruiting expert Bianca Just looks forward to receiving your CV (max. 5 MB), including your salary expectations and preferred starting date, by email at job@indurad.com or via **direct application** through our application form.
