

Working Student (f|m|d) –Inventory

Our Passion - Be a part of it!

Originally founded as a research project, indurad has been developing innovative sensor solutions for the global raw materials industry since 2008. From our headquarters in Aachen, our team of 150 fantastic employees ensures that our high-quality solutions contribute to greater safety and lower greenhouse gas emissions in the bulk material and raw materials industry worldwide.

indurad combines the dynamism of a start-up with the energy and ideas of a large corporation – and that's what makes us unique! We are a diverse team of talented and innovative people focused on creating positive change on a large scale.

But something is missing – and that's you!

We are looking for a **working student (f/m/d)** to support our Supply Chain team and Software Team at our headquarters in Aachen as soon as possible.

What can you expect?

- You maintain our material and product warehouse as well as the data in our ERP system through continuous stocktaking
- You will help with the incoming goods inspection and the correct storage of components
- You support the picking of materials for our production and the logistics of shipping our products
- You will work continuously on the process optimisation of our warehouse and related processes (CIP)

What should you bring?

- You are currently studying -Ideally electrical engineering or a similar technical degree
- Careful work, independence and initiative characterise you
- Ideally, you already have some experience with ERP systems and programming
- You feel comfortable in an international environment: you not only have a very good command of German, but also a good command of English and are not afraid to use it.

What do we offer?

- Early riser or night owl - thanks to flexible working time models, you can organise your working day yourself
- You will be part of our team and receive direct and in-depth training and support
- We offer you a workplace with a feel-good factor: bright, modern premises, ergonomic equipment, drinks, free parking and enough space for personal initiative and development opportunities - all this is important to us so that you feel completely at ease!
- Direct lines to management and superiors, open communication, respectful interaction and a relaxed dress code are just as important to us as a lively "you" culture

Perfect Match?

We want to keep things simple for you!

Our recruiting expert Bianca Just looks forward to receiving your CV (max. 5 MB) including your salary expectations and preferred start date via email at job@indurad.com or through [our online application form](#).
