

Working student (m|f|d) - Fullstack Web Development

Our Passion - Be a part of it!

Originally emerging from a research project, indurad has been developing innovative sensor solutions for the global leading raw materials industry since 2008. From our headquarters in Aachen, our team of 150 fantastic employees ensures that our high-quality solutions lead to more safety and reduced greenhouse emissions in the bulk and raw materials industry around the world.

indurad combines the dynamics of a start-up with the energy and ideas of a large corporation – that's what makes us unique! We are a diverse team of talented, innovation-driven individuals focused on making a positive impact on a large scale.

But there's still something missing – and that's you!

We are looking for a **working student (m|f|d)** to join our software team at our headquarters in Aachen as soon as possible.

What can you expect?

- You contribute to the development and further development of JavaScript backends and data interfaces.
- You actively work on the implementation of web front ends for the intelligent visualization of complex process data
- You are involved in the handling of our international customer projects - from requirements analysis to acceptance
- You contribute your ideas for optimization and thus support integration and test processes

What should you bring?

- You are studying computer science, electrical engineering, mechanical engineering or a comparable degree programme
- You have already gained some experience in the technologies JavaScript, HTML 5, CSS, Node.js (Typescript) and/or React
- Ideally, you have knowledge in one of the following areas: UI design, test automation, 3D visualization, Python
- Knowledge of Linux would also be an advantage
- You feel comfortable working in an international environment and have very good German and good English skills.

What do we offer you? (BVD)

- For this role, we offer an hourly wage of between €16 and €19 gross, depending on experience and qualifications.
- Early riser or night owl - Thanks to home office and flexible working time models (full or part-time) you can organise your working day yourself
- You will become part of our team and receive direct and professionally sound training and support

- We offer you a workplace with a feel-good factor: bright, modern premises, ergonomic equipment, drinks, free parking and enough space for your own initiative and development opportunities - all this is important to us so that you feel completely at ease!
- Direct lines to management and superiors, open communication, respectful interaction and a relaxed dress code are just as important to us as a lively "you" culture

Perfect Match?

We want to make it easy for you!

Our recruiting expert Bianca Just looks forward to receiving your resume (max. 5 MB) with your salary expectations and desired start date via email at job@indurad.com or through direct application via our application form.
