

Manager - Accountant (m/f/d)

Our Passion - Be a part of it!

Originally established as a research project, indurad has been developing precise sensor solutions since 2008 for the mining and raw materials industry, one of the world's most important sectors. As the Radar Solutions division of Hexagon Mining, indurad is part of Hexagon, the world's leading provider of measurement technologies, and combines technological innovation with a global network and extensive industry expertise. From our headquarters in Aachen, around 150 dedicated employees work on high-quality solutions that enable customers in the bulk materials and raw materials industries worldwide to increase their productivity, quality, safety and sustainability, right through reducing greenhouse gas emissions. Our customers rely on us when it matters most, in keeping with our brand promise: "when it has to be right".

indurad combines the dynamism and agility of a technology start-up with the strength and opportunities of an international technology group. Our diverse, talented and innovative teams share the common goal of driving sustainable and positive change in the mining and raw materials industries.

But there's still something missing – and that's you!

We are looking for a **Manager-Accountant (m/f/d)** to join our finance team in Aachen as soon as possible.

What can you expect?

- You prepare monthly and annual financial statements in accordance with HGB, IFRS, and Group accounting policies.
- You contribute to budgeting, forecasting, variance analysis, and financial planning in close collaboration with FP&A and the Senior Finance Manager (Europe).
- You manage key accounting activities, including accounts payable and receivable, reconciliations, general ledger entries, and intercompany transactions.
- You monitor cash flow, payment approvals, and internal financial controls, ensuring accuracy, transparency, and compliance.
- You deliver monthly reporting, financial analyses, and management insights to support sound business decisions.
- You coordinate external audits and local tax matters, working closely with our external tax advisor, and ensure compliance with statutory requirements, tax regulations, internal controls, and company policies.
- You lead, coach, and develop our local Finance team in Aachen, while driving process improvements and contributing to finance transformation initiatives.

What should you bring?

- You hold a university degree in a business-related field, ideally in Business Administration, Finance, Accounting, Economics, International Business, or a comparable discipline.
- You bring several years of relevant professional experience in accounting or finance, ideally in an international or matrix organization.
- You have strong knowledge of German GAAP (HGB) and a good understanding of IFRS, financial reporting, internal controls, and accounting principles.
- You have hands-on experience with statutory financial statements, external audits, general ledger accounting, AP/AR, reconciliations, and related accounting processes.
- You are confident working with ERP and financial reporting systems such as SAP, Oracle, Syteline, or OneStream and have advanced Excel skills.
- You combine strong analytical and problem-solving skills with a structured, hands-on approach and the ability to manage multiple priorities and deadlines.
- You feel at home in an international working environment, communicate fluently in English and very well in German

What do we offer you?

- For this position, we offer an annual salary of between €68.000 and €78.000 gross, depending on experience and qualifications. Additionally, you will benefit from various allowances, such as a company pension plan, business bike, or a subsidy for your job ticket.
- 30 days of vacation and up to five additional days off through flexible working hours.
- Whether you're an early bird or a night owl – thanks to flexible working models (flextime) and the option for homeoffice, you can design your workday to suit you.
- With us, you can expect a diverse and challenging range of tasks in an international project environment.
- Family time is especially important to us, and we live that every day: In addition to our family-friendly working hours, we cover the childcare costs for your child/children – whether it's a kindergarten, daycare, or family care.
- We offer you a workplace with a feel-good factor: bright, modern spaces, innovative tools, ergonomic equipment, drinks and snacks, free parking, and plenty of room for initiative and personal development – all of this is important to us so that you feel completely comfortable!
- Direct access to management and supervisors, open communication, a valued team atmosphere, and a relaxed dress code are just as important to us as a lived "you" culture.
